BEFORE GOING TO THE THEATRE

1. The Story

Our story begins in 1842, when Jonathan Hawker, a young lawyer, travels to Transylvania. He is on his way to take documents to Count Dracula, who has bought a large house in London. Count Dracula is a mysterious, rich man, who lives in a castle, high up in the mountains of Transylvania.

When Jonathan arrives, he is welcomed into the castle by Dracula and offered some food and wine, which he refuses. He gives Dracula the documents to sign. While he is doing this, Dracula sees a photograph of Mina, Jonathan's fiancée, and he is very interested in her. Dracula hypnotizes Jonathan in order to get him to write a letter to Mina, saying that he's staying in Transylvania. Also, Jonathan discovers that Dracula has no reflection in the mirror and that he doesn't like crucifixes.

Dracula makes Jonathan go to sleep, and while he is sleeping the Count steals his photo of Mina. He then forms a plan to immediately travel to London to find Mina. When Jonathan finally wakes up, he realizes that Mina's photo has been stolen and that she is in great danger. He also decides to immediately return to London to protect her from the Count.

Unfortunately, he is too late. Dracula successfully finds Mina and meets her in London. She's worried because she has received Jonathan's letter and the way it is written is very strange. Dracula decides to hypnotize her as well and takes her back to Transylvania with him. Frustrated, Jonathan goes to meet a vampire hunter, Van Helsing, who teaches him how to deal with vampires so he can rescue Mina.

Will Jonathan save Mina or will Dracula win the fight?
