LOBO

Ohh! Good morning everybody. What a beautiful day.
Today it is sunny, the sun is shining.
Everything is perfect. It is a perfect day. Like me
(sonido de dientes brillantes)
I am strong, I am fast, I am brave, I am handsome.
(sonido de estómago vacío, disimula)
Ohh... it is a storm.
(sonido de estómago vacío, disimula)
Ohh...a very big storm.
(sonido de estómago vacío, disimula)
Ok, it is me. I am hungry
(Sonido de estómago vacío)
I am very hungry. I am very very hungry.

(Canción 1: The hungry wolf)

*It's not easy to be perfect, it demands a lot of care.
It is tiring to be handsome, takes an hour to comb your hair.
When you're strong and you're the bravest, everyone looks up to you,
but unless you've had your breakfast, then you can be hungry, too...*

CHORUS:

*A potato, a tomato, carrots, apples and some peas!
I'm so hungry I could eat a table full of meat and fish,
I like peppers and bananas, but of course:
my favorite food is cheese!*

(Hm... What could I eat, for lunch? Ah!)
*A table full of seafood, with lettuce on the side,
all ready to be eaten in just a single bite.
A hamburger for later, and ice cream after that,
and if I'm still hungry, then I'll go and add...
(something like what?)*

CHORUS:

A potato, a tomato (...)
(Hm... What could I eat, tonight? Yes!)
*A sandwich full of bacon, with pickles and some fries,
with veggies on the grill and a little bit of rice.
And maybe soup for starters, and then I'll have some cake,
and if I'm still hungry, then I'll go and make...
(rather, I'll take...)*

CHORUS:

A potato, a tomato (...)

*(I should go see where the piggies are hiding... and see what I can loot.
And if I can't have piggies as a snack, I'll steal all of their food,
haha!)*

CHORUS:

*A potato, a tomato, (...)
I like peppers and bananas, but today...
I'm craving for some pig!*

Oscuro.

PIGGY
We can build a house made of... straw. It will be fast and easy!

PEGGY
Straw... we can build a house made of wood. It will be safer.

POGGY
Straw? Wood...? The wolf will destroy it!
We need to build a good house, a house made of bricks.

PIGGY
Bricks?

PEGGY
Oh no, this will take forever!

PIGGY
Come on, Poggy, we don't want to work all day.

PEGGY

Yes, who do you think you are? An architect?

Las dos se ríen de él.

POGGY

I just want the food to be safe.

PIGGY

The food will be safe with straw.

PEGGY

The food will be safe with wood.

PIGGY

Don't worry, I still have the potatoes.

PEGGY

Oh Piggy... don't worry you are safe now.
But I told you, the straw was not a good idea.
Look at my house. It is made of wood.

PIGGY

Wow! What a nice house!
It is very resistant.

PEGGY

Yes, look at this..

PIGGY

Wow, how did you do that?

PEGGY
